

FE / PE Exam Prep

Fundamentals of Engineering (FE) and Principles and Practices of Engineering (PE) exam PREP
 You can prepare to get your Professional Engineering license. The National Society of Professional Engineers (NSPE) likens the professional engineering license to the bar exam for lawyers and “Boards” for doctors. **FE/PE Exam dates: April 21, 20, 2007. Application deadline December 22, 2006. Exam fee deadline: March 16, 2007**

- Engineers can brush up on engineering basics, such as thermodynamics, calculus, chemistry & fluid dynamics.
- Get updates on changing codes, regulations as well as recent technological innovations.
- Refresh your memory on problems not recently encountered and discussion with other engineers.

Training Schedule 6:00p.m. - 10:00 p.m.

Class Date	Class-Course Learning Activity
Tuesday, Jan 16, 2007 (1-Hour)	Information Session/Orientation and registration.
Fundamentals of Engineering	
Jan 23, 2007	Units, Conversion Factors, Mathematics, Statics
Jan 30, 2007	Dynamics, Mechanics
Feb 6, 2007	Fluid Mechanics, Thermodynamics
Feb 13, 2007	Heat Transfer, Transport Phenomena
Feb 20, 2007	Chemistry and Materials Science, Structure of Matter
Feb 27, 2007	Electric Circuits Computers, Measurements and Controls
March 6, 2007	Engineering Economics, Ethics
March 13, 20	March 13 and 20 are reserved as snow make-up dates
Principles and Practices of Engineering	
March 27–28, 2007	Civil Engineering
April 3 – 4, 2007	Electrical and Computer Engineering
March 20–April 3, 2007	Mechanical Engineering
